

P.O.W.E.R. Collaborative Network (**PCN**)  
Meeting Summary  
September 10, 2007

We extend our great appreciation to the **LOS ANGELES SHERIFF'S DEPARTMENT (LASD)** for hosting the 80th P.O.W.E.R. Collaborative Network (**PCN**) meeting on September 10, 2007. Each attendee was honored to receive the grand overview of services offered by the LASD. We especially want to thank **TYRONE HORN** with LASD for coordinating the entire meeting and facility coordination for the September meeting.

We were given a tour of the Century Regional Detention Facility and treated to complete continental breakfast. The **PCN** wishes to thank **SHERIFF LEE BACA** who took the time to acknowledge in a formal letter his appreciation in having the LASD to host the September meeting. He stated that **PCN** is a perfect example of a community organization that empowers our citizenry by establishing a positive link for law enforcement.

**CAPTAIN ALICE SCOTT**, LASD, personally welcomed the **PCN** members to the facility and congratulated the group on its work over the past years. **Captain Scott** encouraged **PCN** members to share the opportunities for working with the department.

**NATALIE D. SALAZAR**, Director for Community Law Enforcement Partnership Programs was extremely motivating and informative relative to working with the LASD.

**LILLIAN SALDANA**, Registered Dietician with the LASD, detailed how working with the inmates requires specialized skills in the health care field.

**SERGEANT TRACY PALMER AND DEPUTY JULIE LOWE**, LASD, provided an excellent picture on how to enter the department to meet the requirements for over 1300 open positions during 2007. As recruiters, there is a variety of positions available for new hires with good backgrounds.
